

6165 VARIETY PLUS

"True Vibrato" plus Reverberation with big power combine to make this amp the most versatile for a wide variety of uses.

The Gretsch Variety Plus provides everything a top musician demands from a great amp. The Gretsch "True Vibrato" gives tonal beauty; the Reverberation, tone depth. 35 watt circuit power for the most in dramatic and exciting sound effects.

Big power plus the bass and treble boosters lets your playing soar from the deepest basses to ultra highs with no distortion. Above all—it's portable!

35 WATT UNDISTORTED POWER OUTPUT.
